PROFESSIONAL FEES AND SERVICES

SERVICES OF FUNERAL DIRECTOR AND STAFF \$ 2,495

Our professional service charge includes, but is not limited to, consultation with family and clergy, arrangement and direction desired, preparation and filing of necessary notices, authorizations and consents, and other services and attendance prior to, during, and following the funeral including coordinating with those providing other portions of the funeral (cemetery, crematory, vault companies, musicians, etc.). Also included in this charge are overhead expenses relative to our facility, such as insurance, maintenance, utility expenses, secretarial and administrative costs, and equipment and inventory expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremation, immediate burial, and receiving of remains.

EMBALMING \$ 780

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
